🌐 Kelvin Ohemeng

Passionate and driven graphic designer and self-taught developer with over 2 years of experience. With a strong background in design and a natural aptitude for coding, I am skilled at creating engaging and visually appealing user experiences. In my free time, I enjoy playing basketball, video gaming, and playing musical instruments. I am always looking for ways to learn and grow in my field, and am eager to join a team where I can contribute my skills and ideas.
